One of the benefits associated with being a large club is that we also have a large and loyal membership base. In addition to current participants, we achieve significant reach into the community through our social members, supporters, family members, and past players.

CRICKET PARTICIPANTS

This season the club will be fielding:
8 Senior cricket teams
15 Junior cricket teams
Including 3 All Female cricket teams

BLASTERS CRICKET

This season we expect to introduce between
60 – 100 new children and their families to cricket.

PAST PLAYERS

Our past players database is extensive, with over 500 active contacts on our email database, many who regularly attend club events and most that still reside in the local area.

PEOPLE

We acknowledge that people are the most important aspect of our Club. We treat people as equals and encourage and support each other at every opportunity.

RESPECT

We show respect for our members, supporters, umpires, opponents and our facilities. We understand that we earn respect as individuals, and as a club, by showing respect to others.

SPIRIT OF THE GAME

We take responsibility for ensuring that play is conducted within the spirit of the game, as well as within the Laws. We believe in sportsmanship and are active promoters of fair play.

HERITAGE

We acknowledge the contributions made by the people that have played for, served for, and supported our Club since its formation in 1926.

EXCELLENCE

We strive to deliver excellence and quality in everything we do. It is our positive attitude and focus on constant improvement that drives our success.

WE NEED SPORT | MORE THAN EVER BEFORE

Victorians continue to face new challenges and more than ever we need great Sporting Club's like Mt Eliza Cricket Club to flourish and provide sport for as many people as possible.

A Sponsorship Package at any level will assist us to promote our sport, our values, and work with the younger generation to help them develop the life and social skills to help them be successful in their lives.
